## 2011 Mandatory Update.... Version 16 of Haz-Shipper®

**Just a reminder that your yearly license is expiring, and the new regulations for 2011 are now taking effect. To be in compliance with the Government and avoid costly fines and penalties you will need the regulatory changes. Please fill out the order form and return.**

Dangerous Goods Council provides Hazmat compliance training for **49-CFR, International Air, and International Maritime** regulations. In-house training and consultations may also be arranged.

For more information on Internet shipping or training dates see our website, call, or e-mail us, we'll be happy to help you.
