<https://www.ups.com/us/en/help-center/packaging-and-supplies/special-care-shipments/global-dangerous-goods.page>

New:

49-CFR Bill of Lading:

The “Weight/Volume” now accepts Metric as well as US measurements.

Int'l Air FedEx - FX02 Message for Class 4.3:

If all requirements are met and dropping off at FedEx, then the shipping papers will print.

Resolved – Purge Does Not Deleted Shipments:

Issue: Purge feature will allow dates less than 2 years to be entered, but will not deleted shipments.

Resolution: Purge feature will not only allow dates to be enter if less than 2 years.

Purge feature will only allow shipments to be purge that are greater than 2 years.

Reminder: Per 49-CFR 172.201e, Paperwork **Must Be Retained** for a Minimum of 2 Years (3 Years for Waste) either Paper or Electronic Copies.

Resolved – Employee/User ID Certification Dates Expire:

Issue: User ID: ADMIN has no certification/expiration dates listed or expired; user allowed to ship.

Resolution: If no training certification/expiration dates listed or if training dates are expired, then the user will receive a message that states “Your Hazmat Training Certification (CFR-49/IATA/IMDG) has Expired.” *Haz-Shipper* will block access to all shipping options until training certification/expiration dates are updated.

Reminder:

- User ID: ADMIN should **ONLY** be used for Administrative purposes, **NOT to be USED** to Ship.
- Each user is to be **setup with their own** User ID and Password.
- Each user is **required to be certified** to ship hazardous materials.
